

THANK YOU TO ALL OUR DONORS and VOLUNTEERS

In these difficult economic times, the Pomperaug River Watershed Coalition can only continue to do the important work because of our generous supporters. We would like to express our sincere thanks to all our January through December 2008 donors and volunteers. Your support made it possible for us to have another very productive year of events and activities to support and preserve the Watershed. Our special thanks go to the many individuals and corporations who have supported our mission year after year with their financial donations. We also thank those who have also become PRWC members because it is important that the Coalition have a large and active membership.
